

## Fun Forest Friday

Dear Parents and Carers,

This Friday (Friday 29<sup>th</sup> September), Reception children will take part in their first 'Fun Forest Friday' activity; this will be a weekly Friday session which will include exploring natural resources and completing different crafts and activities.

For the remainder of the half-term, all activities are all based around Autumn and nature. Later in the term, our activities will focus more around the colder weather, such as ice and snow! As we move into the Spring term, the activities will change and be updated. We will be using our new adapted area outside the EYFS classrooms to complete our activities, which will be led by the EYFS staff.

It is important that on a Friday, your child comes in PE kit (as this is our PE day). As the weather turns cooler, please make sure your child also comes to school with:

- Coat
- Hat
- Scarf
- Gloves

As we hope to be outside whatever the weather!

At times, we may ask you to bring in some items that you could collect at home with your child e.g. leaves, sticks. It would be a great help if you could bring these to ensure we can complete the activities effectively. Alternatively, we may venture into the local area to collect the items ourselves; we will always inform you if the children are leaving school.

We hope these activities will be a great success and we thank you for your support. Please check Tapestry, as we will share lots of photos and videos of our activities.

Kind Regards

Miss Stretton, Miss Lounds, Miss Parkin and Miss Ward.
