

Uniform Swap Shop

Dear Parents/Carers,

I would like to take this opportunity to invite you to participate in our uniform swap shop. The event will run every other Tuesday after school. A text will be sent once we have uniform ready to swap.

If you will not be re-using your child's uniform for the next academic year, please bring in any unwanted uniform that are in a re-usable condition. I will then wash and launder all donated uniform and they will be available to swap in our uniform swap shop.

We are keen to contribute to society by living sustainably and recycling at every opportunity possible. Furthermore, with the cost of living on the rise, we hope that this will help families who are particularly struggling as a direct impact of this.

How it works

Families that wish to use this service can bring any uniform that no longer fits their child/children and can swap for a bigger or smaller size that will fit.

All uniform that is swapped will be washed and ironed ready to be put out for the following swap shop.

This will be held outside in the school playground, weather permitting. If not then it will be in the downstairs hall 3:00-3:30pm.

Thank you
Miss Cox
