Welcome Back

The children have happily returned to school and it's been lovely to welcome them back, hearing about their break and the things they've enjoyed.

Timeline

We now have a beautiful timeline which is based upon the History we teach at Birklands. Hand painted by a local artist it is a lovely feature in our corridor just off the main reception. As well as being lovely to look at, it provides opportunity for the children to understand where the History topic they're currently learning sits within the chronology of other historical periods they've learnt about.

Baby News

On 30th December, Miss Marsh welcomed her daughter Imogen Jessica.

Weighing 5lb 13ozs, mother and baby are both doing well.

Valuables

As has always been the case, we ask that any items/belongings of value, either monetary or sentimental are not brought into school. We are unable to accept responsibility should items get lost or damaged. Thank you for your support in this matter.

Reminder

As advised before Christmas there is a school meal price increase. Can parents and carers please ensure that when payments are being made, it is for the correct amount - a school meal is £2.60 per day, making it £13 for a week.

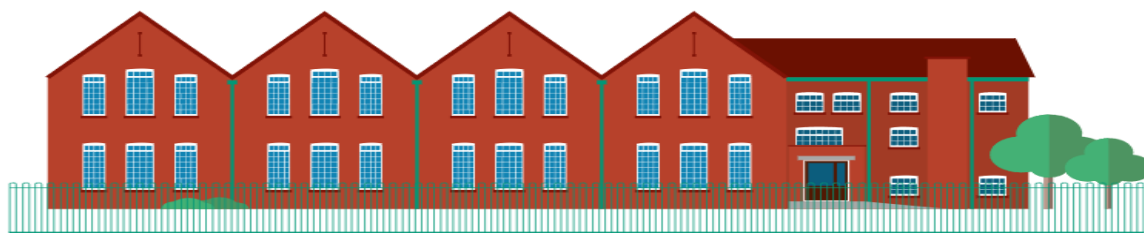

Parents in School

Parents and carers will be aware that there are many occasions when grown ups are welcomed into school, however we must ask that if children are late, they are left at the office and not taken by their grown-up to their class. This is because we need to be aware (at all times) of the adults whom are in school so we can effectively safeguard our children.

Pupil Data Collection Forms

Amended forms are due back to us by Friday 19th January. It is vital that we have up-to-date contact numbers and medical/allergy information – thank you.

Work hard, Be kind
