End of Term

We've reached the end of a long and busy term and may we take this opportunity to wish all our families a Merry Christmas and thank all for their support this term. We look forward to welcoming the children back on Monday 8th January.

Christmas Fair

We're very happy to share with you the total raised at our Christmas fair, which was a staggering £1706.72! Thank you all those who supported our efforts and we've already started spending! Some of the proceeds have been spent on equipment to extend our Forest School provision. Photographs to follow in the new year.

Staffing

We've wished Miss Marsh well as she is soon to welcome her baby.

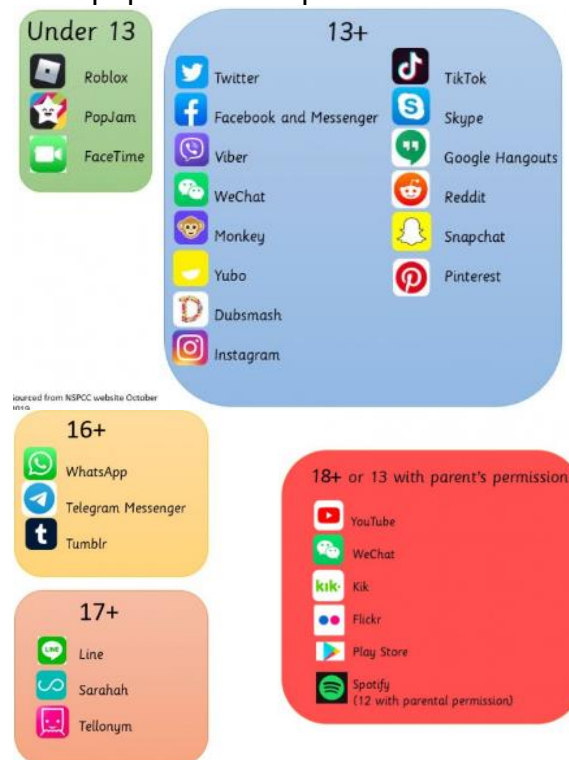

The children in Jay class shall return after the holidays to Miss Sunderland as their class teacher, whom they've already started to get to know. We also welcome Mrs Henderson back from her

maternity leave and she'll be teaching Dove class with Mrs Lewis.

Online Safety

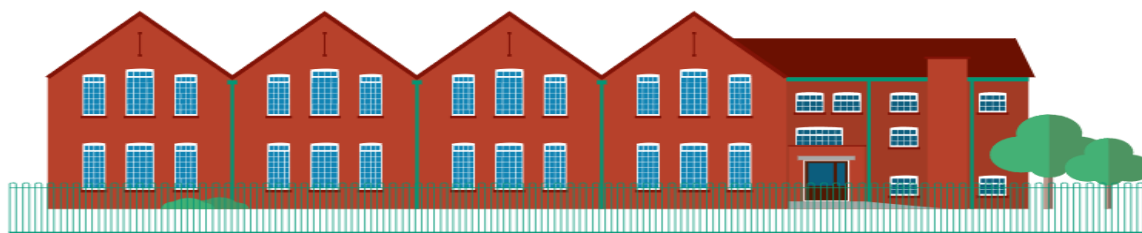

As we head into the holidays we wanted to remind everyone of the need to safeguard children whilst online. Here's a reminder of age restrictions of the most popular online platforms:

If there is anything that your child comes across online that gives cause for concern, please do not hesitate to contact our trust safeguarding email which is constantly monitored throughout the holidays, it's safeguarding@novaeducationtrust.net

School Meal Price Increase

Unfortunately, we have been advised by Aspens that the price of our school meals will increase in January. When we return on 8th January, the price of a school meal will be £2.60 per day, making it £13 for a week.

School Office Hours

Just a reminder that the school office hours are 8.00am to 3.30pm and phones will only be answered during those times. We do have an answerphone so if you ring outside these times, please leave a message and we will get back to you as soon as we can. If you are ringing about your child's absence from school, please press option 1.

Pupil Data Collection Forms

We will be sending out forms during the first week back to make sure that the data we hold for your child is correct and up-to-date. It is important that you check this and let us know if anything is incorrect by amending the form and returning it back to us by Friday 19th January. We especially need to have up-to-date contact numbers and medical/allergy information
