

Headteacher: Mrs V Farr

Mrs Henderson

On Wednesday we said 'goodbye' to Mrs Henderson as she starts her maternity leave and prepares to welcome her baby. I'm sure you'll join us in passing on best wishes. In Mrs Henderson's absence, Mrs Norman has kindly agreed to teach Magpie class for some additional time.

Parent Consultations and My Child at School app

Hopefully you have now booked your Parent Consultation for one of the specified dates: Tuesday 8th and Wednesday 9th February from 3:30 – 6:30pm (with the exception of Wren and Kittiwake classes which are Wednesday 9th and Thursday 10th February 3:30 – 5:30pm). This meeting is to discuss your child's progress and their next steps in learning. We do ask wherever possible you bring your child to be involved in the discussions. If you haven't already made an appointment, expect class teachers to get in contact to arrange a time, it's important we speak to all parents and carers.

New Playground Equipment

Thanks to your support this year at our fundraising events we have been able to spend over £700 on playground equipment. This equipment helps to ensure playtimes and lunchtimes are fun experiences for our children which allow them to take part in various games and activities. It has been explained to

the children that if they look after the equipment there will potentially be more...

Strike Action

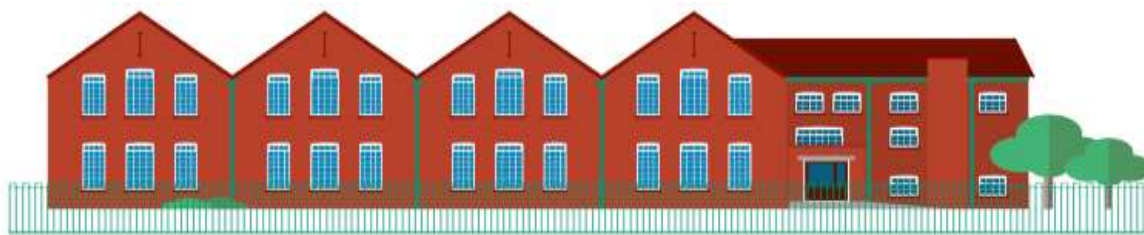

Information has previously been sent out explaining the implications and plans for Wednesday 1st February. If for any reason you have missed this correspondence, in the first instance please check your text messages and failing that, pop into the school office.
