

Happy New Year! Welcome back after what we hope was a relaxing break. This term we have a new topic of 'Super Heroes'. We would like to invite all parents and carers to our **coffee morning on Monday 16th January**. We will be discussing how we teach Mathematics and sharing how you can help your child achieve their next step in learning. The kettle will be on as soon as the children are settled. We hope to see you there!

SUPERHEROES

This term our topic is Superheroes. To celebrate our learning we will be having a **superhero day on Thursday 2nd February**. On this day we would like to invite parents to stay for the first hour to enjoy some superhero activities with your children. The children are welcome to dress up as superheroes and parents can too!

Phonics Workshop

Phonics is a way of teaching children to read quickly and skilfully. We have phonic sessions everyday in the Foundation Stage and it is the key to developing your child's learning. We would like to invite all parents to a **Phonics Workshop on Monday 23rd January at 9.00am**. In the session we will share what phonics is, how we teach it and how you can help at home! The session will last about 30 minutes and there will be lots of games and resources for you to take home!

Wellies!

We spend time outside in our outdoor area everyday! As the weather continues to worsen we are encouraging children to wear wellies so they still access all areas outside without damaging their shoes. Whilst we do have some wellies we do not enough for everyone. If you do have any spare wellies we would appreciate them.

VISIT TO LIBRARY

We will be visiting Warsop Library on 10.03.2017 for the morning. Our F2 Reception children enjoyed the visit before Christmas and this time we would like to take the F1 Nursery children too. If you are available to join us on that morning from 10.45am till 12.00pm please let us know.

If you have any questions please do not hesitate to come and see us!
 Mr Cohen, Mrs Wesley and Miss Heald.
