

Dear Parents and Carers,

We are writing to provide a final update regarding arrangements for the Year 6 trip to Alton Towers tomorrow.

Children must arrive at school by **7:50am** as the coach is leaving at **8am** sharp.

Due to the high temperatures forecast, please ensure your child is prepared by following the guidance below:

Sun protection

- Suncream must be applied before school
- Children must bring suncream to reapply during the day
- A hat is required (we will provide one if necessary)
- Sunglasses are optional but recommended

Food & Hydration

- Children must bring a refillable water bottle (we will stop regularly at water stations across the park for refills)
- All children must bring a packed lunch and snacks for the day

Keeping cool

- Personal fans are strongly recommended if available

Clothing and footwear

- Children should wear suitable clothing for the forecast
- Sensible walking shoes such as trainers must be worn (flip-flops or sliders)

Personal items

- No mobile phones should be brought on the trip
- No money is required, as we will not be visiting shops or kiosks

In light of the high temperatures, we have purchased *fast track* tickets for all pupils to avoid having to wait for extensive periods.

Thank you for your cooperation and continued support. We are extremely excited to share this reward experience with our Year 6 children and to celebrate their hard work and achievements throughout the year.

Yours sincerely,

Miss Shaw and Miss Watson
