

Adjusted start times for Monday 6th July following the England match

Dear Parents/Carers,

With the England team playing at 1:00 AM on Monday morning, we know that many of our students will be staying up late to watch the match. To ensure our students are well-rested and ready to learn, and to capture the spirit of the occasion, we are making a slight adjustment to our Monday morning schedule.

What you need to know for Monday:

- **Delayed Start:** The formal school day will begin at 9:30 AM. Students who arrive for this time should enter school through the main reception and head straight to their classroom.
- **Normal Drop-off Available:** We completely understand that many parents will be unable to change their morning routines due to work commitments. The school will be open at the normal time. Staff will be on-site to provide a safe, supervised environment for any students who need to be dropped off at the usual time.
- **Breakfast club** will run as normal.

We believe this approach supports our working families while giving our students the best chance to recover and focus on their learning for the rest of the day.

Yours sincerely,

Miss. A. Watson
