

Voluntary Contribution to support with providing learning opportunities in EYFS

Dear Parents/Carers,

We are so happy with how the children have settled in. They have quickly adapted to the routines of the school day and are forming positive relationships with peers and adults.

Throughout the academic year, we like to provide children with as many learning opportunities as possible, whether this be planting bulbs and seeds in Spring or making salt dough ornaments for Christmas. We are sure you are aware that school budgets are becoming increasingly 'tight'.

We want to continue to plan and provide as many different experiences as possible for your child throughout the year, therefore we are asking our parents/carers to donate £5 (cash) to support with covering the cost of activities in EYFS (baking, planting, crafts etc.) This equates to around 12p per week across the 39 academic weeks of the school year. This is a voluntary contribution so any donations would be greatly appreciated, however we understand this may not be possible due to the current cost of living crisis.

If you are in a position to donate, please could any contributions be passed to your child's class teacher in a sealed envelope and in cash.

Thank you

The EYFS Team
