

Dear parents and carers,

I am sure you saw in the press and on the news over the October half term break that there was a great deal of discussion about the benefits free school meal payments continuing throughout the school holidays.

We are pleased to say that the local authority have very kindly given schools the money to pay for this over the October half term. We know that this school holiday has been and gone but we have been waiting for the money to arrive in our budget. We are sure you will still appreciate the support.

As a family of schools we have come together to decide the best way to distribute the money to our families and we are very pleased to inform you that we are now in a position to provide you with vouchers for ALDI. You will be entitled to £15 per child per week and the vouchers will be delivered to you on the 20<sup>th</sup> November. Please ensure we have your current, up-to-date address as they will be hand-delivered.

These vouchers are for food for your children and cannot be used to buy cigarettes, alcohol or lottery tickets.

If you have any problems or have decided that you no longer require the vouchers please let us know.

If you have any additional questions please do get in contact.

Mrs C Smith

Head of School
