

Fundraising for Ugandan Orphans

Dear Parent/Carers

As part of our Global School Alliance we are now paired with a school in China and one in Uganda. This has enabled us to add global perspective to our curriculum, provide wider experiences for our children and achieve the Bronze Global School Award.

As part of the global citizen work and developing social responsibility within our school we would like to do some fund raising for an orphanage that is next to our twinned school in Uganda. The orphanage is for children aged 6 years to 15 years of age.

The children there love to play sports but unfortunately balls and sports wear is something they do not have.

Over the next couple of months, we will be doing various fund-raising events in order to purchase footballs, volleyballs, basket balls and sports kit that we can send out to the children. Updates on the events to follow.

We know many of our children love sports. So, if you or your child have any footballs, football kit, football boots etc that you feel you could donate to this worthy cause please send them in.

Thank you for your continued support.

Mrs C.A. Smith
(Head of School)
