

9th July 2026

Dear Parents and Carers,

Thank you to everyone who took the time to share their feedback regarding our proposal to align our school term dates with the Nottinghamshire County Council calendar, starting in the 2027/28 academic year.

Having reviewed the responses, it is clear that the overwhelming majority of our school community is in favour of this transition. Your feedback mirrored our own core belief: aligning our holidays with local schools will significantly reduce mismatched holiday periods for siblings and greatly ease childcare logistics for our families.

I am therefore writing to formally confirm that we will be moving forward with this transition. Our finalised term dates for the 2027/28 academic year, as well as 2028/29 and 2029/30, are now available to view on our school website here: [Term Dates](#)

As a reminder, this change will not affect the current or upcoming academic year, providing you with plenty of notice to plan for 2027 and beyond.

We are incredibly excited to take this positive step forward, ensuring our school operates in a way that best supports our families and our wider community.

Thank you for your ongoing partnership.

Kind regards,

Miss A Watson
