

Dear Parents and Carers,

I am writing to inform you of an update to the Year 6 homework arrangements.

All pupils have been provided with Book Two of the CGP workbooks for Reading, Grammar and Maths. Each week, pupils are expected to complete one task from each workbook. Homework will be set every **Tuesday** and should be returned by the following **Monday**.

To encourage consistent effort and positive habits, pupils will also have the opportunity to work towards earning the total cost of their reward trip to Alton Towers (date TBD) in the run up to SATs. Each week, pupils can earn marks by:

- Completing their homework on time
- Maintaining full attendance
- Demonstrating a positive attitude to learning and making good behaviour choices

Please see the attached checklist that we will be using at school to track this. Pupils who do not receive a mark in any of the above areas will be required to contribute £1 for each box not marked.

For example: 2 boxes not marked for not completing homework = £2 owed.

Thank you for your continued support in helping pupils develop responsibility and strong learning habits during this important year. If you have any questions about this, please get in touch at: ashaw@birklandsschool.co.uk

Kind regards,

Miss Shaw
