

Year 3 & 4

LOOKING AHEAD TO SEPTEMBER!

Dear Year 3 & 4,

We are thrilled to embark on this exciting journey with you in September. We look forward to the wonderful adventures and discoveries we will share together.

Our first topic of the year will take us on a fascinating trip back in time to the Stone Age. Together, we will explore the intriguing question, "How would you survive in the Stone Age?" We'll delve into how people lived during that era, focusing on their food, shelter, and clothing. We will also compare their way of life with ours today and learn about the challenges Stone Age people faced in Britain.

On our first day back, we will fully immerse ourselves in our new topic. We'll create our own Stone Age art while in "caves" and dive into learning more about life during that time!

Get ready for a year filled with curiosity, learning, and fun. We can't wait to see all the amazing things we will achieve together!

Best Wishes,

Miss Fox, Miss Goodwin, and Mrs Lewis
