

Friday 21st November

Dear Parents and Carers,

We would like to share some important updates regarding staffing and teaching arrangements in Lower Key Stage 2 (LKS2).

From next week, we will be introducing a new approach for Maths and English: children will work in their respective year groups for these subjects (pure Year 3 or Year 4), allowing us to tailor learning more precisely to their academic needs. The adults leading these sessions are the familiar staff already known to your children: Mrs Lewis, Mr Patten, Mrs Allen and Miss Ward.

Your child will be informed on Friday 21st November which member of staff they will have for these sessions, and this will also be communicated with you via our text messaging service. Aside from the Maths and English lessons, children will remain in their original registration group (Siskin, Woodpecker and Kittiwake), where they will continue to be taught by their usual class teacher. Please note that your child's current class teacher is your first point of contact.

Thank you for your continued support as we make these changes to enhance learning opportunities for all pupils. If you have any questions, please do not hesitate to contact us.

Kind regards,

LKS2 Team
