

Dear parent or carer,

PRIMARY STEPS WORKSHOPS

Your child has recently taken part in creative ballet workshops provided by The Royal Ballet School's Primary Steps programme. I hope they've enjoyed learning about the work that goes into training to become a professional ballet dancer and have had fun making up their own dances. Our workshop leaders have certainly enjoyed teaching them and have been pleased with the progress they have made.

Many of the children taking part in these workshops have asked if there are classes locally where they can continue dancing. If your child has expressed such an interest, I hope you will find the following information useful.

To find out about other dance classes in your area, you could try contacting the following organisation:

FABRIC Dance
