### **Important Information Regarding the Start of School on Monday, 6th January 2025**

Dear Parents and Carers,

I hope this message finds you well. I would like to inform you that due to essential additional training for staff, the start of the school day on Monday, 6th January will be delayed to 10:30am. As a result, there will be no Breakfast Club on that day.

I understand that this change may cause some inconvenience, and I wanted to notify you as early as possible to allow you to make any necessary arrangements.

Thank you for your understanding and support.

Yours sincerely,

Mr M Cohen  
Acting Head Teacher
