

Nativity trail

From Sunday 13th December there will be a Nativity trail in the grounds of St Peter and St Paul Church Warsop. Follow the symbols from the story that leads to the stable and find an Angel to take home with you to hang on your Christmas tree.

Christingle

Sunday 13th December at 4pm.
There will be an online service from Church you can get involved and watch from home.

Making a Christingle.

We are hoping that you will take part in the service at home and make your own Christingle you may not have all the items from the picture above, but you can use all sorts of things instead, here are some ideas.

If you don't have an orange find something else round, it could even be an apple a tangerine, a bauble or a paper plate. You could use rolled up piece of paper instead of a candle. You could even make one from play dough. Whatever you use ask an adult and make sure to be careful and safe. We would love to see your ideas, get creative.
