WORK HARD, BE KIND

Newsletter 14th July 2021

Dear Parent/carers

Just a quick newsletter with some important reminders.

Covid-19

At we all know, cases of Covid are rising daily. As we head towards the end of term, a little reminder that if your child is displaying any of the symptoms, you MUST keep them off school and either seek medical advice or book them a PCR test. If the test is negative, they can come back to school if they are well enough. If the test is positive, please contact school as soon as possible as this will have an impact on their bubble.
Please also ensure that we have up-to-date contact numbers, especially of someone who is able to pick your child up in case of emergency.

Behaviour around the school grounds

Please remember that we have young children in and around school. We would appreciate it if you ensure that your language is appropriate and you do not make any inappropriate hand gestures. Please also ensure that you drive carefully on the street outside school. Young children may run onto the road, even if we do try to teach road awareness. Please DO NOT park on the zigzags, or double park on the street. This creates dangerous situations and children and/or adults could be harmed.

Head Lice

We have had a couple of cases of head lice in school. Please ensure that you check your children regularly and treat if necessary. Local chemists may provide treatments for free if you ask at the counter.

Thank you.

Mrs C.A. Smith
(Head of School)
