Dear Parent/Carers

As I am sure you are aware the Prime Minister has today announced that schools will re-open to **all** pupils from Monday 8<sup>th</sup> March.

For many of you it will be a huge relief but at the same time, we know there will be much anxiety too.

As I am sure you can appreciate this will mean reviewing our procedures and protocols for when all children are back in school.

With this in mind please be patient with us. Once timings, procedures and protocols have been reviewed and updated these will be shared with you.

I would therefore urge you not to ask for clarification round timings, wrap-around care etc until information has been shared with you.

Until the 8<sup>th</sup> March we will remain open for our keyworker children and those children identified as being vulnerable. Those not accessing this are expected to continue with remote learning, on a daily basis.

Thank you

Mrs C.A. Smith (Head of School)
