

Parent/Carer survey

Dear Parent/carers

The Trust and the school know how important it is to maintain contact with all of our stakeholders and respond to positive and negative comments and concerns about the school, staff etc.

Over the last fifteen months we have not always been able to do this in the same way due to COVID restrictions.

To gather parent/carers views on different aspects of our provision for our children we are asking you to click the link below and complete the quick survey.

Your support in this is much appreciate.

Yours sincerely
