

19.1.21

Dear Parents/Carers,

At Birklands, we place a high-level of importance upon reading, as we know this is key to academic success. Recently as a school we having invested a significant amount of money in to resourcing this.

In order to maintain our high standards and expectations in this key area of the curriculum, we have purchased a whole-school online subscription to the Rising Stars reading scheme.

This means that during this period of remote learning, your child will still be able to have access to the wonderful range of fiction and non-fiction texts that are normally available to them in school. They will be able to read these at their leisure online.

Over the next few days, your child's class teacher will be contacting you with their account details for our online library.

This can be accessed at: <https://my.risingstars-uk.com>

Once your child has logged in, they will be able to access the books that have been assigned to them by their class teacher.

If you have any questions regarding this, please contact your child's teacher in the first instance.

Yours sincerely,
Miss. A. Watson
