

Dear Parents and Carers,

### Red Nose Day 2022

On **Friday 18<sup>th</sup> March** we will be taking part in Red Nose Day 2022. You can find out more about where the money raised goes by clicking [here](#). We hope to raise money by completing a variety of challenges. During the day we will challenging the children to work together to climb the highest mountain in the world and to walk from coast to coast!

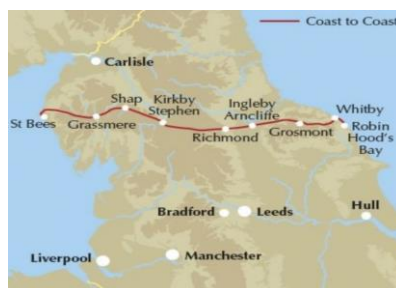

### Climbing Everest

By working together and using the stairs at our school we will collectively climb Mount Everest, the tallest mountain in the world! Hats, gloves and scarfs are not needed!

### Coast 2 coast

We are aiming to walk from Robin Hood's Bay to St Bees which is a whopping 192 miles all without leaving our school grounds! Teamwork is going to be crucial!

The theme of this years red nose day is Funny is Power. With this in mind along with lots of joke telling (get practicing!) we will be asking children to dress up in either something **funny** or something **red**.

We believe that these challenges are worthy of a **gold coin donation** and don't forget we are selling red noses from the school office for £1.50p.
