

25<sup>th</sup> January 2021

Dear Parent/Carers

Once again, a big thank you to the parents that are ensuring their child accesses the remote learning set on a daily basis. I am hearing some lovely comments made by the teachers. We know that for many of you this brings challenges and we appreciate how you are working with us to overcome these.

We even have some children, who even though they are in school they too are doing the remote learning set by teachers. This is fantastic and makes us feel very proud.

As mentioned previously, the Government are now expecting all children to access their remote learning electronically.

I wrote to you last week to say that if this was an issue you should contact school so we can discuss options and support you and your child in some form.

Birklands is part of the Nova Education Trust.

The executive team of the Trust are keen to collate information around access to remote learning and also explore how they can support our school.

We would therefore appreciate it if you could complete the short survey by Thursday 28<sup>th</sup> January, by clicking on the link below.

Please remember to follow the lockdown rules because the quicker the number of positive cases go down to an acceptable level the sooner schools can be open to all children, which is something we all want to happen.

Mrs C.A. Smith (Head of School)
