

## Tour of Britain 2022

Dear Parents / Carers,

On Thursday 8<sup>th</sup> September 2022, the Tour of Britain will be coming through Warsop!

To celebrate this, Mansfield District council have launched two exciting competitions for our children to take part in. Children are being asked to design a starting flag with the winning entry actually being made and then used to start stage 5 of the race.

The second competition is to design the winners' trophy which again, will be made and then presented to the winner of the stage.

If your child would like to enter any of the competitions, please instruct them to collect an application pack from the school office. Please return completed entries to school by **Thursday 14<sup>th</sup> July**.

More details will be shared in September about our school plans to celebrate the Tour of Britain.

Kind Regards,

Mrs Pawlitta
