

### Uniform and PE Kits

Dear Parent/Carer

As the country moves further out of lockdown and a sense of normality in society is coming alive we feel that now is the time to start bringing back our expectations around uniform and PE kits.

Our uniform consists of:

- White Shirt or White / Burgundy polo shirt
- Burgundy Cardigan / Sweatshirt or fleece

For girls:

- black or grey skirts, trousers or dresses
- red gingham summer dresses

For boys:

- black or grey trousers
- shorts in summer

**Black shoes should be worn by all our pupils. No trainers, in any form or canvas type shoes are allowed.**

We will continue with children wearing PE kits for school on their PE days. However, we expect the PE to be in-line with our expectations.

For PE we expect all pupils to wear black shorts or black/grey joggers and a white t-shirt. No football shirts or top with slogans are permitted.

If hair is long enough to be tied up it should be on PE days too please.

When earrings are worn in school, they must be small, round studs. No other jewellery is permitted.

Make up is not permitted. If your child chooses to wear nail varnish this should be a natural/neutral colour. False nails are not permitted.

We are making you aware of this shift in our expectations now so that you have the half term break to purchase the correct clothing if necessary.

Mrs C Smith  
Head of School
