3rs September 2026

Dear Parents and Carers,

I am writing to inform you that our new Universal Breakfast Club will begin on Monday.

This provision is separate from, and in addition to, our existing wrap-around Breakfast Club. Whilst our wrap-around Breakfast Club continues to provide childcare from 7:30am for families who require supervision before school, the Universal Breakfast Club is designed to ensure that all pupils have the opportunity to start their day with a healthy breakfast in a calm and welcoming environment.

The introduction of this initiative is part of a wider commitment to supporting pupils' wellbeing, attendance and readiness to learn. Research consistently shows that children who eat breakfast before school are better able to concentrate, engage in learning and maintain their energy levels throughout the morning.

The Universal Breakfast Club will be available to all pupils. Places should be reserved in advance using the usual MCAS booking system.

Pupils attending the Universal Breakfast Club may enter school from 8.15am. They will be offered a simple breakfast of toast and/or cereal before the start of the school day.

We are excited to launch this new provision and look forward to welcoming pupils from Monday. We believe it will be a positive addition to our school community and will support children to make the very best start to each day.

Thank you for your continued support.

Yours sincerely,

AV Watson
