Happening this week

SATs Week

This starts next week (w/e 9th May) for Year 6 children. School will be providing a hot breakfast (sausage or bacon cobs) for the children each day to ensure their energy levels are kept up. We know this will be a tough week for the children but they have worked very hard this year and hopefully all this effort will pay off.

Queen's Birthday Party

Many thanks to all of you who have responded to the School Council's letter about our street party being held on Friday 13th May. Food can be brought in to the school office at any time during the next two weeks. Fresh items can be brought in on the day.

Shop for Schools

This has now finished and we came 7th out of 30 schools. This is brilliant to say we are such a small school. Thank you to everyone who made the effort to take their receipts to the customer service desk and get them exchanged for points. We can claim a vegetable starter pack for taking part in the competition. This will be collected during the week and we can hopefully see if we have any budding gardeners in school.

Children will need to bring a packed lunch and sensible clothing. If your child is in receipt of a Free School Meal then a packed lunch will be provided by school.

Attendance

Attendance last week was 95.4% which is the lowest it has been since January! However, we did have one class with 100% attendance – well done to Dove class. Please continue to support us in making sure your child comes to school ready to learn. If your child has a minor cough, cold, headache or other ailment, please continue to send them in to school and we will monitor them. If your child is ill then we will call you to pick them up. Please ensure that we have your most up-to-date contact details on our records. We are currently working with Meden's Attendance Officer who will be making home visits if we do not have a valid reason for your child's absence.
