

Welcome back to the Summer Term at Birklands! We have lots of exciting learning planned for Robins and Puffins final term in Reception Class.

Summer Term learning

This term our topic is seaside holidays now and in the past. We are learning about how seaside holidays have changed and reading story books linked to holidays. If you have any family holiday photos we can use for discussion with the children, please send them into school via email or tapestry.

Read, read, read....

Children who read at home for just 10 minutes a day make great progress. Your child is at a crucial age in their journey to becoming a reader. Please read with them.

Tapestry

Thank you for your interaction through Tapestry. We post new pictures of our learning every week. Feel free to comment and get involved. Have you seen the pictures from White Post Farm?

Thank you to those who have also sent pictures of your child's achievements outside of the classroom – if you have any pics of sports activities etc, then please share them with us. Let us know if you need help to access Tapestry.

TAPESTRY

Is your child entitled to FREE milk?

Register at www.coolmilk.com

PE and uniform

PE days remain the same this term;

Puffins – Tuesday & Friday

Robins – Wednesday & Friday

Please continue to send your child to school wearing their PE kit on these days.

Birklands PE kit forms part of our uniform and should be a white or burgundy T-shirt and black/ dark shorts or joggers.

The weather is warming up and the jumper pile is getting bigger! Please make sure your child's name is marked inside their clothing so we can make sure it goes home with them.

Water bottles

As it gets warmer it is more important than ever that children have a water bottle in school every day. Pupils are only allowed to bring bottles containing water into the classroom, please do not send squash.

Sun protection

We have our fingers crossed for some sun this term. In hot weather, please send your child to school with a sun hat and apply sunscreen before they come to school so they are protected when outside.

Thank you for your continued support. If you have any questions then please don't hesitate to ask!
